Mrs. Lisa M. Greiner
Principal

September 30, 2015

Dear Parents,

In an effort to support a healthy nutritious lifestyle for our students, you may be aware that Baylis celebrates birthdays monthly. The monthly celebrations will take place once a month to acknowledge the students whose birthdays take place during that month. Teachers will coordinate the date with the class liaisons and class liaisons will provide the snack from the approved snack list (attached). As in the past, students who have allergies are asked to have a special snack available for the monthly celebration.

As always students will continue to be recognized on their exact birthday via the daily announcements as well as in their classrooms by their teacher.

The monthly celebrations will allow us to continue to acknowledge the importance of a birthday in a child's life with a special snack while reducing the overall number of goodies distributed to students throughout the year.

Thank you in advance for your continued cooperation and support.

Sincerely,

Lisa M. Greiner
Principal
