## Berry Hill Weekly Buzz

Week Ending November 13, 2015

### Fantastic Fifth Graders Participate in the Tundra Connection

Berry Hill Fantastic Fifth Graders joined the Polar Bears International Team and participated in the Tundra Connections Webcast from the Arctic Tundra in order to further their study of ecosystems. The mission of the organization is to conserve polar bears and the sea ice they depend on. They also work to inspire people to care about the Arctic and its connection to our global climate. Four leading scientists working on climate change issues across the globe joined us to share their work and answer our students' questions regarding the arctic habitats of polar bears and how they have been changing over time. Fifth graders also learned about global warming and ways that they can help conserve energy to help preserve our environment and ecosystems around the world.

### Berry Hill Student Council Thanksgiving Food and Essential Drive

*Thanksgiving*  
Food Drive

Berry Hill Student Council in conjunction with the Syosset High School Awareness Club continues to hold a Thanksgiving Food and Essential Drive through Friday, November 20, 2015. Please see the back of the "buzz" for further information on how to support needy families in the Syosset area.

Have a wonderful weekend!  
Sincerely,

Mrs. Joanne Mannion, Principal
