This year's Berry Hill Student Council is very excited to provide community service to those who are in need. At our first meeting, we selected our Student Council Officers. Congratulations to Sofia Daniel, President, Vatsal Kalula, Vice-President, Kyle Dapice, Secretary, and Ryan Anzalone, Treasurer.

Our first collection of the year was in support of the Ronald McDonald House in New Hyde Park, New York. The Ronald McDonald House is a wonderful establishment, providing families with a place to stay, eat and rest while their children are hospitalized. Our Berry Hill Learning Community did a great job supporting this drive and we sincerely thank all for participating. We would also like to thank Mrs. Amy Aiosa, Second Grade Teacher, for delivering three full carloads of items that were donated.

For the month of November, we are conducting our annual Food and Essential Drive in conjunction with the Syosset High School Awareness Club. Our Berry Hill Learning Community is once again very generous as our bins are overflowing with donations. For the month of December, from December 1-18, 2015, we will be collecting gently used "Coats for Kids."

As always the Student Council is extremely appreciative for anything that is donated to support our Community Service Drives. Collection bins will always be placed outside the Berry Hill Main Office. Please wait to bring in any items until you receive a flyer. Thank you for your continued support!

Have a wonderful weekend!
Sincerely,

Mrs. Joanne Mannion, Principal
