### Fantastic Fourth Graders Visit Hoyt Farm

Fantastic Fourth Graders went on an exciting field trip to Hoyt Farm where they participated in an outdoor program about American Indian Life on Long Island. The students engaged in authentic activities that included cooking corn cakes and vegetable soup by utilizing ingredients that the American Indians would have found on Long Island. The students used traditional tools to create stone necklaces, participated in a nature walk and archeological dig, and had the opportunity to appreciate a wigwam.

Have a wonderful weekend!  
Sincerely,

Mrs. Joanne Mannion, Principal
