Berry Hill's Schoolwide Enrichment Program

Through the Schoolwide Enrichment Program, Berry Hill Students are offered a variety of opportunities to enhance, extend, and enrich their learning. Our Brown Bag Seminar Series is scheduled during select recess periods. Guest speakers are invited by Ms. Mary Kolkhorst, Berry Hill Enrichment Specialist, to address volunteer groups of students on topics of interest as identified through student interest inventories. Most recently, first through fifth graders had the chance to attend a Brown Bag Seminar with Author James Preller. Mr. Preller's books include the Jigsaw Jones and Scary Tales Series. In addition, interested kindergarten through fifth graders were also fortunate to visit with a Google Designer who gave us an insider's view of working on the cutting edge of technology.

Have a wonderful weekend!
Sincerely,

Mrs. Joanne Mannion, Principal
