Fifth Grade Artists

Our Fifth Grade Students are "Painting the Roses Red" in celebration of our Disney-Themed Curriculum Night Presentation by our Art and Library-Computer Programs. This song, from the Disney Production of "Alice in Wonderland," inspired our students to create a rose out of Model Magic. Students were taught how to place each petal on their rose to make it come alive. Students then painted their roses and added Mod Podge to enhance its shine. Fifth Graders were so excited to see the end results of their learning which focused on 3-dimensional forms. In addition, Fifth Graders created a "heart" in the style of the Artist Romero Britto which had the students divide their heart into various shapes and patterns. Fifth Graders are very excited to display both of their projects on Curriculum Night!

*Have a wonderful Spring Recess!
Sincerely,*

Mrs. Joanne Mannion, Principal
