## Berry Hill Weekly Buzz

Week Ending November 1, 2013

### Berry Hill PRIDE

The Berry Hill gymnasium resembled a patch of strawberries as students and staff wore their red shirts to kick off our PRIDE Character Education Program. Students demonstrated **P**atience, **R**espect, **I**ntegrity, **D**ignity and **E**mpathy as they participated in age appropriate assembly programs designed to increase awareness of the feelings others may experience. Students in kindergarten through second grade watched an inspiring show about Inclusion and Empathy in which the main character learned the importance of being open to new and different people. In third, fourth and fifth grades, the assembly program reviewed all aspects of electronic bullying including different types of cyber bullying and how harmful the results can be. Please be on the lookout for the PRIDE contract that was sent home for both you and your child to sign. These contracts will be kept in school and be a symbol for the PRIDE we all feel in working together.
