Halloween Was Here!

Written by Berry Hill Kindergarten Teachers

Witches, goblins and ghosts in Kindergarten classes,
that's what you did see!

Fairies, princesses and Ninjas, all marched in the parade happily.

Candy apples and Hershey bars were piled in orange bowls,

Everyone had so much fun,

but watched out for the scary trolls!

Parents videoed and snapped pictures, capturing this happy day.

Children sang Halloween songs while laughing all the way.

Now the best part was coming, trick or treating all around.

Children filled their pumpkins with treats from everyone in town.

Halloween is over this year,

But we'll be back, have no fear!

I am extremely proud to announce that Berry Hill School has been named a New York State Reward School for 2013. Our school was among 353 other top-performing institutions statewide that was identified by New York State Education Commissioner John King Jr. Reward Schools have made the most progress or are designated as the State's highest performing without significant gaps in student achievement. This is the premier designation for a school in New York State. Thank you to our Faculty and Staff for their commitment and dedication to our Learning Community.
