Week Ending October 17, 2014

Second Grade Mathematicians

Berry Hill Second Grade Mathematicians are hard at work learning place value up to a thousand utilizing the *Go Math!* Program. The students used manipulatives to better understand mathematical concepts such as naming the value of a number in its place. They also learned that numbers can be represented in a variety of ways by using models, words, numerical forms, and expanded forms. Second Graders discovered that these diverse ways were very helpful when counting on and back by 10's and 100's.

Dates to Remember

- ❖ PTA Ralph's Ices Fundraiser: Monday, October 20, 2014
- ❖ Fourth Grade Field Trip to Hoyt Farm: Thursday, October 23, 2014

Have a wonderful weekend!
Sincerely,

Mrs. Joanne Mannion, Principal
