Baylis Celebrates the Holiday Season & the New Year!

Baylis, a Winter Wonderland

Baylis celebrated the holiday season by spreading cheer throughout the day. The school transformed into a winter wonderland with falling snow inside the halls of Baylis. Students were greeted by the staff singing songs of the season. Later, students spread cheer by singing to their lunch monitors. Smiles grew bigger around the halls of Baylis!

Rockin' New Year's Party & Toy Drive for John Theissen Children Foundation

Our Baylis families donated children's toys to those in need through the John Thiessen Children Foundation. To celebrate their good deeds, Baylis held a New Year's Eve party with a DJ. Students danced and participated in different games while listening to the latest hits! It was a joyous event celebrated by the whole school along with the PTA.
