All County Band Students Recognized

December 2013

Each year the Nassau Music Educators Association (NMEA) hosts the All County Music Festival. The names of the top student musicians from all of the schools in Nassau County are nominated by their music teachers and sent to a committee of Nassau County music educators that select students for the various performing groups. Students selected have the opportunity to perform at the Tilles Center with the Band, Orchestra, Chorus or Jazz Band. The concerts are divided into 5 Divisions - Division 1 is for 5th grade students, Division 2 is for 6th grade students, Division 3 is for 7th and 8th grade students, Division 4 is for 9th and 10th grade students and Division 5 is for 11th and 12th grade students. There are only three rehearsals to coordinate the over 600 student performers. Rehearsals this year are held at Division Ave HS and the Concert is Sunday, January 12th 2014 at the Tilles Center, C.W. Post College. We at Baylis are very proud to recognize the following students that have been selected for the Nassau Music Educators Association's All County Festival;
