Berry Hill Artist in Residence Program

Students at Berry Hill worked together with Artist in Residence, John DiNaro, throughout this week to create benches with PRIDE and Patriotic themes, mural paintings with bouquets of flowers, and an outside display that will brighten up Berry Hill's front entrance. The Artist in Residence Week is sponsored by our PTA Cultural Arts Committee and it enables a professional artist to visit the school and work with every student on school-wide art projects. Before Mr. DiNaro's arrival, the students made various sketches with our Art Teacher, Ms. Jacqueline DeBari, that were incorporated into each item. The students were excited to see their sketches transform into beautiful works of art!
