Week Ending February 6, 2015

Berry Hill's Recess Opportunities

Where can you learn about your heart, play a rousing game of scrabble, participate in a national math competition, enhance your knowledge of Latin, as well as have the chance to sing, dance, act, design scenery or engage in computer code...during recess at Berry Hill! Students at Berry Hill have many exciting recess opportunities. Our philosophy reflects our commitment to enhancing student motivation through the exploration of areas of interest. Therefore, we make every effort to present a variety of options for which students may choose to participate. Students may choose to join a particular club that meets regularly or enroll in a Brown Bag Seminar for a single meeting with a particular guest speaker or they may choose to maintain traditional recess activities. Whatever the choice, there are many, varied and unusual available activities designed to engage students during their recess period.

Dates to Remember

- ❖ PTA PARP Week: Monday to Friday, February 9-13, 2015
