

Advisory Committee for Finance

At our January 24th meeting the Administration discussed the following:

- Dr. Rufo discussed the Internal Audit report that was issued for 2017. The report covered the annual risk assessment and two specific areas Capital Assets and Payroll Distribution Procedures. We discussed the auditor's recommendations to improve tracking of assets and distribution controls
- We discussed the Facilities Improvement Vote and the timing of when work could proceed if the propositions passed. We also discussed the methods of communicating the Vote to the public.
- We discussed Syosset Park and its impact on the District
- We discussed two National award programs for excellence in Budget presentation. Committee member Michele Yen will summarize the requirements for the Committee to be discussed at a future meeting.
- Our next meeting will be March 8
