

Advisory Committee for Finance

At our March 20th meeting the Administration discussed the following:

- Dr. Rufo discussed the Program and Administrative Budgets
 - We reviewed the changes from last year. Most were based on contractual increases and reallocation of various budget items.
 - All the union contracts have been settled
 - The Budget Presentation are available online
 - The next presentation segment is the Revenue Budget
- We discussed the new regulations requiring building by building cost per student. Syosset distributes staffing and programs across the schools to equalize opportunity.
- The Committee has three new members this year

Trish Sergi
Jack Ostrick
Chris Ulrich

- Our next meeting will be April 23rd
