Administrative Assistant

June 1, 2019

Dear Parents,

June brings many exciting events to our school community. Please continue to check our webpage and email for news and updates.

- Please make note of the end-of-year calendar on our school webpage. Please check the calendar for schedule and transportation details.
- Eighth grade students will be taking a World Language exam on **Friday, June 14th** and **Monday, June 17th** during their World Language class.
- Eighth grade students will be taking the **NYS Common Core Algebra I Regents** on **Wednesday, June 19th**. We would like to remind you that your child must arrive to his/her testing room by **Noon** on the day of the test. Please make sure your child comes prepared for the test with their graphing calculators fully charged, sharpened pencils and blue or black pens.
- Eighth grade students will be taking the **Physical Setting Earth Science Regents Examination** on **Thursday, June 20th**. We would like to remind you that your child must arrive to his/her testing room by **Noon** on the day of the test day. Please make sure your child comes prepared for the test with sharpened pencils and black or blue pens. A scientific calculator will be provided.
- Per the New York State Education Department, cell phones and other electronic communication devices are prohibited in testing locations. Please plan ahead if your child is taking a Regents Exam.
- The Moving Up Ceremony will be held at the **Tilles Center, on the LIU Post Campus** on **Monday, June 24, 2019 at 4 PM**. Students must report at **3:15 PM**.
- Sixth, seventh and eighth graders will participate in a field trip to Adventureland on **Tuesday, June 25th**.
- Remember to check our school website (www.syossetschools.org) for other year-end information, including summer reading and school supply lists.
- It is not too late to order a Yearbook. While supplies last, a form is available to download on the school homepage.

Enjoy a warm, relaxing summer!

Sincerely,

Michelle L. Burget
Principal
