

Dear Parents of HB Thompson and South Woods Middle School Students,

In order to assist with your planning, we are already looking ahead to June and our own school calendar. Please find below the draft framework for the last two weeks of school in June for middle school students. To honor our 8th graders as they culminate their time in middle school and embark on the exciting high school adventure that awaits them, each school will host Moving Up Ceremonies in the Syosset High School Gymnasium on the day indicated below. More specific information regarding the 8th Grade Moving Up Ceremonies will be emailed to 8th grade families in May. We will also notify you of any changes to this draft and reconfirm all information later in the spring.

Teachers at each school in all three grade levels will inform students of additional plans to celebrate the success, perseverance and achievement of all of our students. Thank you for your continued support and partnership.

Sincerely,

Kevin Bonanno and Michelle L. Burget, Principals
