Adele Bovard
Deputy Superintendent of
Schools

Immunization Requirements for Students in Grade 8

Dear Parent/Guardian,

New York State Law Section 2164 requires certain immunizations (shots) to enter and attend school. Please check with your health care provider as soon as possible to make sure that your child has all the needed immunizations. They are listed below.

Required Immunizations for Students in Grade 8

Immunization	Number of Doses
DTaP/DTP	3 doses
Tdap	1 dose
Polio	4 doses or 3 doses if the 3 rd dose was received at age 4 or older
MMR	2 doses
Hepatitis B	3 doses or 2 doses of adult hepatitis B Vaccine (Recombivax)
Varicella (chickenpox)	2 doses
Meningococcal conjugate (MenACWY)	1 dose
* Most of the students in grade 8 will have already received the MENACWY vaccine dose in grade 7, unless transferred from out of state or out of country.	

If you have questions or concerns about immunizations, please contact the School Health Office at your child's school.
