May 2019

Dear Parent(s)/Guardian(s):

Beginning September 1, 2016, all 7th and 12th grade students MUST HAVE proof of having been given Meningococcal vaccine (shot) in order to attend school.

- Students entering **Grade 7th & 8th in 2019 must have one (1) dose** of meningococcal vaccine. They will be required to get a booster at the age of age 16.
- Students entering **Grade 12 in 2019 must have either:**
 - Two (2) doses of meningococcal vaccine with **the booster dose given on or after age 16**
 - One (1) dose if your child's first dose was given on or after age 16.

New York State Public Health Law, Section 2164 requires that schools will not permit a child to attend school unless the parent provides the school with a certificate of immunization or proof from a physician, nurse practitioner or physician's assistant that the child is in the process of receiving the required immunizations. Please be sure that your child is up-to-date on his/her vaccines before starting school in September to avoid being excluded.

Sincerely,

Kevin Bonanno
Principal
