September 2024

Dear Parent/Guardian:

Our new school year has kicked off! We are excited to invite you to the Harry B. Thompson Middle School Open House to be held on **Tuesday, September 10th**. This is an opportunity for you to follow your child's program and meet the teachers who will be working with your child.

You can download a copy of your child's schedule for the evening from the [Parent Portal](#). **Please note that we will follow a "W" day schedule with periods listed in the first column with the heading Term Q1. Parents should report to their child's 1<sup>st</sup> period class to begin the evening at 6:30 pm.** First period will last a few minutes longer, but all other classes will be nine minutes.

The purpose of the open house program is to provide an opportunity for our teachers to present a general description of their courses, specific requirements and expectations, and goals and objectives. Please note that supervision of children is **NOT** provided; therefore, students are not to attend this program.

Our PTSA has arranged for refreshments in the students' cafeteria during your child's lunch period. Please show your support for the work our PTSA does throughout the year by completing your membership. There will be a membership table set up during the open house so that if you have not already done so, you may join at this time.

As we have a particularly large enrollment this year and we anticipate high attendance at Open House, we are utilizing the A.P. Willits Parking Lot, as well as our own lot. Please give yourself enough time to make it to period 1. We encourage walking, carpooling and/or parking at A.P. Willits.

We look forward to welcoming you on September 10th.

Sincerely,

Kevin Bonanno, Principal
