Principal

January 4, 2024

Dear Baylis Families,

Happy New Year! With the winter months upon us, there may be instances where the district may call for a remote learning day similar to what occurred at Syosset High School this past Monday. We are taking a proactive step to ensure that all students will have access to a district device to use at home in such an instance. Therefore, all students will be going home with a Chromebook and charger tomorrow.

All students are responsible for bringing their fully charged Chromebook to and from school each day. Chargers are to remain at home. For students in grades K & 1, teachers will communicate with parents when it is necessary to bring the fully charged Chromebook to school. In an instance of remote learning, your child's teacher will communicate the daily schedule and assignments through Google Classroom by 9:00 am.

The district is highly recommending that students use our Chromebook as they are unable to offer more comprehensive technical support for issues that may arise from personal devices. In case you encounter technical difficulties on a remote learning day with the district Chromebook, please email Ms. Jessica Febraro @ jfebraro@syossetschools.org or Ms. Kim Crandall @ kcrandall@syossetschools.org for assistance.

Please send into school tomorrow your child's cushioned Chromebook carrying case. This will protect it as the Chromebook is carried back and forth to school.

Thank you for your continued support and cooperation.

Sincerely,

Clara Y. Kang
Principal
