Dear Baylis Families:

Our Baylis Student Council has asked that as a Baylis community, we continue to take the **“Drop the Tech” Challenge**. On selected days for the remainder of the year, our whole school community is encouraged to participate in the challenge and not use any electronic devices and instead partake in family activities that will bring us together. **Our next “Drop the Tech” Challenge will be on January 24th**. I have attached the choice board of activities that the Student Council put together, but feel free to create your own family fun. To help facilitate this evening, there will be no HOMEWORK assigned. The only requirement is to “Drop the Tech” and spend time together as a family.

Here are the future “Drop the Tech” Challenge Dates:

Sincerely,

Clara Y. Kang
Principal
