Dear Baylis Parents or Guardians:

Our custodial and support staff have been busy this summer, getting our school ready to open. The building is sparkly clean and spectacular! Baylis teachers are eager to welcome your children as they are getting their classrooms ready. We are so excited to meet our students on the first day of school, Tuesday, September 5th.

[Click here](#) for our Baylis FAQ document which includes important beginning of the school year information and protocols. The FAQ document contains links to additional detailed information if you wish to read more about a particular topic. I also hope that you had the opportunity to read my introduction letter. [Here is a link](#) to my introduction letter.

I am lifting the most important information out of this FAQ document, which is the date you can access your child's classroom teacher's name in Parent Portal. It will be on **Wednesday, August 30th after 12:00 pm.** Please be patient with the portal that day if you are unable to access this information immediately since many parents will be trying to enter the system at the same time.

I am looking forward to a wonderful year. Thank you for your support and cooperation.

If you have any questions, please contact our Main Office at 516-364-5798.

Sincerely,

Clara Y. Kang
Principal
