At Willits, our goal of safety remains paramount even when we are participating in an enjoyable and memorable event. Therefore, in order to remain organized while accommodating all families, each family will be allowed 2 guests per grade level celebration. Please use this link to RSVP to your child's Curriculum Celebration. Unfortunately, we are unable to accommodate younger siblings and please be reminded that photographs and/or videotaping are prohibited.

When you arrive, please enter the building through the main entrance where you will check in at security. All visitors will be required to present a government issued identification. We ask that all visitors go from the main entrance lobby directly to the location of your child's curriculum celebration. At the conclusion, there will be an announcement for parents to exit through the main doors only.

I look forward to seeing you all on the day of your child's class celebration. We welcome you and hope that your visit is truly enjoyable.

Sincerely,

Kelly Morgan
Acting Principal
