Dear Parents/Guardian,

All 12th Grade students MUST HAVE proof of having been given Meningococcal vaccine (MenACWY).

Students entering Grade 12 in 2019 must have either:

- 2 doses of meningococcal with the booster dose given on or after age 16
- 1 dose if your child's first dose was given on or after age 16

The required immunization can be obtained from your physician or the Nassau County Health Center, 682 Union Avenue Westbury New York 11590. This must be by appointment at 516-571-9500.

Please bring this letter with you to your Doctor and have him sign the bottom as proof you received the vaccine. All letters must have your Doctors signature and stamp.

You MUST have the MenACWY (abbreviated as MCV4, brand names Menactra or Menevo) vaccination by **October 4, 2019**, or your child will be excluded from school.
