Name: _____ Phone: _____

Name: _____ Phone: _____

The following regulations and standards of conduct will apply to all students participating in the interscholastic athletic program for the Syosset Central School District. In addition to these rules, each coach will provide a detailed list of team rules and requirements which are specific to the individual sport.

1. Participation on an athletic team is an earned privilege. Student athletes are expected to conform to acceptable standards of behavior at all times and must understand that they represent the Syosset Central School District as well as themselves. Acceptable behavior is outlined in the Student Handbook Code of Conduct and will be strictly adhered to at all times.
2. All student athletes are required to attend at least a half day of school in order to be eligible for participation in after-school activities. Additionally, student athletes are required to participate in their Physical Education class in order to participate in practice or games.
3. **All HIGH SCHOOL student athletes are responsible to attend all practices and games over the following school breaks: Winter Recess, President's Week (February), Spring Break and all non-school days.** Failure to do so, the student athlete may be suspended from participating in future contests at the discretion of the coach and Athletic Director.
4. All student athletes are expected to refrain from the use of alcohol, tobacco, vaping products and any form of illegal drugs. Violations will result in disciplinary actions that may include dismissal from the team.
5. All student athletes are required to display appropriate behavior while riding the bus. As safety is the primary concern, student athletes must refrain from unacceptable behavior and will incur disciplinary actions should they create an unsafe environment.
6. Infractions of the above rules as well as the team rules may result in temporary or permanent disciplinary action depending on the nature and degree of the infraction.

I will abide by the regulations and standards of the Code of Conduct.
