## EXPENSE REIMBURSEMENT

Policy 6830

---

Members of the Board of Education, school officials and staff members shall be reimbursed for reasonable out-of-pocket expenses incurred while traveling for school related activities. Only expenses necessary to the purpose of the travel shall be reimbursable. Tax exemption letters shall be issued and utilized only for official school related business.

The Board of Education shall determine, by duly adopted resolution, whether the attendance of members of the Board of Education at any conference or professional meeting is in the best interest of the School District and whether they are eligible for reimbursement of expenses under this policy. The Superintendent of Schools, or his/her designee, shall determine whether attendance by School District staff at any conference or professional meeting is in the best interest of the School District and whether such staff members are eligible for reimbursement of expenses under this policy within budgetary allocations.

To obtain reimbursement, the claimant must complete and sign an expense voucher, attach all receipts or other expense documentation, together with a copy of the approved conference attendance request form and evaluation report (if required), and submit the same to the Business Office. Reimbursement shall only be made after such claim has been audited and allowed.

### Day Travel

When an employee engages in travel which does not result in overnight travel, only transportation, necessary meals and registration costs are eligible for reimbursement. Reimbursement for lodging is generally not permitted in these travel situations unless it is necessary to complete School District business.

### Overnight Travel

Persons traveling on School District-related business are expected to secure the most reasonable rate for necessary hotel accommodations. The School District will reimburse for actual lodging fees up to the maximum lodging fee set by the federal government for that location.

Payment for overnight lodging is permitted for overnight travel which is necessary for the performance of School District business. When the lodging rate is pre-determined by the organization sponsoring the event, lodging costs shall be reimbursed at a rate not in excess of the rate charged by the convention/event hotel, notwithstanding what the federal travel reimbursement rate is. When a Board of Education member or a school official or staff member engages in overnight travel, that individual may also be reimbursed for meals, registration costs, sundry expenses and incidental office expenses, as defined below, but not for personal expenses.

Hotel accommodations at a rate other than the most reasonable rate or a pre-determined rate described above will be reimbursed only if approved by the Board President (for members of the Board of Education and the Superintendent of Schools) and the Superintendent of Schools (for all others) prior to the stay.

### Method of Transportation

Travel shall be by the most economical method as determined by the School District, whether by private automobile, school vehicle, rental vehicle or common carrier such as bus, train, or airplane.

### Personal Vehicle

In certain instances, it may be appropriate for school officials or employees to use their personal vehicles for School District-approved travel. Employees may be reimbursed for personal vehicle use at the prevailing IRS rate per mile. Toll and parking are also eligible for reimbursement. Repairs, maintenance and vehicle fluids (including, but not limited to, fuel and oil) are not reimbursable.

### Rental Vehicle

Although the use of rental vehicles may be necessary when travel is required out of the area for school-related purposes, rental vehicles are generally not permitted for local travel. In lieu of mileage, vehicle rental charges and fuel costs for travel out of the area incurred by Board of Education members or school officials or staff members may be submitted for reimbursement, provided such expense is approved in advance, is necessary for conference attendance and is reasonable in cost.

### Airline and Railroad Travel (Long Distance or Overnight Travel)

Transportation by airline or railroad may be reimbursed for or paid for by the School District only in connection with long distance or overnight travel for a school-related purpose, meeting the conditions applicable to overnight lodging. The School District shall carefully consider alternatives to overnight travel prior to authorization. The most economical and practical means of transportation should be selected. Additional factors, including the number of people traveling, luggage and materials to be transported, meeting schedules, Board of Education member or school officer or staff member health and safety, the cost of the school officer's or staff member's time, and the impact on the Board of Education member's or school official's or staff member's ability to efficiently conduct School District-related business upon arrival, should also be considered when deciding on the most appropriate means of transportation.

Other transportation costs such as taxi cabs are allowable only for essential transportation.
